

V RYSTAAT NUUSBRIEF

A quick word of thanks

The Collect-a-can project lies close to our hearts. With this project we hope to feed 300 people in need. This is a very important project since many South Africans are living in poverty and a can of food can go as far as feeding a family. We trust that you will support this charity by donating at least one can of food.

“ IT IS IN YOUR HANDS
TO CREATE A BETTER
WORLD FOR ALL WHO
LIVE IN IT ”
NELSON MANDELA

We would like to thank all our supporters - parents, principals, the community and old land servers - who are constantly lending a helping hand. The gratitude that we experience cannot be expressed in words, but know that we cannot accomplish anything without your support.

The upcoming Ubuntu camp aims to rekindle the love for Land Service and to reach aspiring land servers who are curious about the youth movement.

2018

TRAIN CAMP TO
EAST LONDON

Vrystaat Landsdiens het
in Oos-Londen gaan
kamp. Dit was 'n
seevakansie soos min,
wat begin én geëindig het
met 'n treinrit.

Die landsdieners het by LekkerOord kampterrein aangekom met baie opgewondenheid en entoesiasme om die kamp te begin.

Hulle het 'n paar ysbrekers gespeel om die spanning en onsekerheid te breek.

After lunch the land servers enjoyed a fun filled afternoon at the beach.

This was an extraordinary moment for some campers who saw the ocean for the first time.

My heart is at the  *beach.*

During the camp, land servers learnt how to inspire, and motivate each other. Most of the activities were designed to uplift each team member to become more considerate. Another aim of these activities was to focus on each member's strengths and use this to the team's advantage. This was done through, for example, finding each other in the middle of a spiderweb, and complimenting each other. The activities also prompted the land servers to think outside of the box.

NELSON MANDELA DAY

'n Mens trap soms diep spore in die lewe van die mense om jou. Daar is egter een persoon wat in sy leeftyd 'n groot aantal mense geïnspireer het. Dit is natuurlik Nelson Mandela. Ons ken hom met deernis as Madiba. Sy verjaarsdag word elke jaar gevier met 67 minute van gemeenskapsdiens. Dit is om sy lewenslange geveg teen die onderdrukking van mense te stop. Hierdie is 'n belangrike jaar, omdat Madiba 100 jaar oud sou word.

MALUTI & WAKKABERRY

These two clubs collected food and donated it to Mauersnek and Platberg daycare.

The land servers played with the toddlers.

**TAKE ACTION. INSPIRE CHANGE,
MAKE EVERY DAY A MANDELA DAY.**

SOETDORING

Soetdoring celebrated Madiba day by collecting and donating food to four families in need. They have collected 250 cans of food.

“teach your child the joy of giving.”

KLUBKAMP

Loskuil Skool se Alpha Landsdieners het hul jaarlikse klubkamp by die Wag-'n-Bietjie Ekoplaas langs die Vaalrivier gehou. Tydens die kamp is die vier liefdes van die Landsdiensbeweging aangespreek, maar veral gefokus op ons liefde vir mekaar, want ons het regtig alles in spanverband aangepak, mekaar gehelp, mekaar ondersteun en mekaar aangemoedig.

Met die "kamp-ysbreker" het ons darem nie letterlik die ys gebreek nie, maar ons het ook nie heeltemal droog daarvan afgekom nie... het jy al saam vyf maats op die naat van jou rug 'n emmer water met jou voete vasgehou terwyl elke maat om die beurt 'n skoen en kous uittrek sonder dat die emmer op jou omval?

On saturday morning the land servers showed their love for nature by picking up the garbage next to the river and removing a class 1 indigenous plant "inkbos", that grows on the river banks.

REAL HAMMER THROUGH!

Met al die doppies wat op die "sportveld" bymeakaargemaak is kon die spanne vir hulle "inkopies" doen vir die Potjiekos-aandete - natuurlik ook deur die kinders self gemaak! Beslis iets vir die ma's om te onthou.

This camp ended with devotion in the veld - God's grace and blessings are so powerful. We have so much to be greatfull for, especially for one another.

Later die aand het die landsdieners laternbekruip en lekker spookstories om die kampvuur geniet.

WAKABERRY

CLUB CAMP

Klub Wakaberry het vanaf 20 April 2018 tot 22 April 2018 hulle klubkamp te De Pan gehou. Landsdieners van die Maluti Landsdiensklub het hulp kom verleen met die aanbied van die aktiwiteite. Die kamp is afgeskop deur ysbrekers te speel. Landsdieners het hulle skietvaardighede beoefen deur balonne met ketties te skiet. Vir 'n lekker handewerk aktiwiteit het die kinders blompotjies geverf en vetplantjies daarin geplant vir Moedersdag. Die landsdieners was baie kompetierend met minute-2-win it. Later die aand, het hulle lekker gesing, lantern bekruij en sterre gekyk.

Om "Earth Day" te vier, is daar twee bome geplant op die plaas De Pan.

KLUBKAMP

Kosmos het hulle klubkamp op Palmietkuil plaas gehou. Daar is prettige aktiwiteite gedoen wat insluit die verwelkoming van die nuwe landsdieners. Hier moes die kinders hulle meriete wys.

***n Handewerk projek is daar kombesies gemaak om so die koue winter te help beveg. Aangesien die kamp op *n plaas was, is dit net gepas dat die leerders ook die geleentheid gekry het om in *n egte plaasdam te swem. Hierdie het gesorg vir ure se vermaak. Saam met die plaasdam, was daar "geslip en slide".**

Die landsdieners kon ook *n geleentheid kry om na die plaas se beeste te kyk en selfs probeer om hulself boer of boerin te hou deur kallers te vang.

★HAPPY★BIRTHDAY!

Baie geluk met julle verjaarsdae!
